Summary Care Record (SCR)								
Our GP Practice supports Sumi	mary Care Records. Childre	en will automatica	ally have an SCR ma	ade for them. If				
an Opt Out form is completed,			,					
SCR's contain key information	about medicines, allergies	and any bad reac	tions to past medic	cines. Giving				
healthcare staff access to this i	•	_	_	•				
emergency or when the surgery is closed. To identify your child correctly the SCR will include their Name,								
Address, Date of Birth and NHS number.								
How we use your medical records								
How we use your medical records The practice handles medical records in-line with General Data Protection Regulations (GDPR). We share								
medical records with those who are involved in providing you with care and treatment. We share information								
when the law requires us to do so, for example to prevent infectious diseases from spreading or to check the								
care being provided to you is safe. Our Data Protection Officer (DPO) is Dr Brooks.								
You have the right to be given a copy of your medical record and have any mistakes corrected. You have the								
right to complain to the Information Commissioner's Office. Please see the Practice privacy notice on the								
website for further information.								
Zoro Toloranco Policy								
Zero Tolerance Policy The Practice takes it very seriously if a member of staff is treated in an abusive or violent way. Aggressive								
behaviour whether violent or abusive will not be tolerated and may result in you being removed from the								
Practice list and in extreme cases, the Police being contacted.								
I certify that the information I have provided is correct and consent to my child's personal								
and medical information being used as stated above.
